address: Faculty of Dental Medicine - Str. Ilarie Voronca Nr. 7, 900684, Constanta

Dear Colleagues,

We meet in 2012 on the Black Sea Seaside and... on the Adriatic Sea.

The Congress of Constanta reached his Xth anniversary and will have important guests this year both from Romania and abroad. Their names and positions are listed in the invitation. Basically, in Constanta will take place in the same time two conferences, so you will be able to also participate in "The IInd Congress of Ergonomics, Prevention and Performant Management in Dental Medicine".

The fantastic success of the cruises from previous years forced me to organize the second part of the 2012 congress on a cruise ship too. Because of this year conitions, global crisis, university's ellections, social problems, we have decided to reduce the number of the participants in half, also giving up the management section for other specialties than dental medicine. The route is gorgeous and the prices, both inside and the outside cabins, are 100 euros lower than last year. We will fly a charter flight, so our plane (although the plane does two flights without passengers which we pay for, we chosed the convenience). Please check on the company's website to see that a pax in the outside cabin costs over 1000 euros. We included in this price: ship, aircraft, buses, technical asistance, etc.

We thank you for you wish to also be with us this year.

Prof. Dr. Corneliu AMARIEI

Registration fees for the congress in Constanta

400 RON	
Fee covers: - access to the congress - congress folder	- credited certificate of participation - cocktail and banquet

The CONGRESS DISPATCH will work as follows:

22 May 2012: Bavaria Blu Hotel Mamaia;

23– 25 May 2012: Ovidius University Campus, Constanța

50 EMC credits

ACCOMODATION OFFERT MAMAIA - 3 days, breakfast included,

The nights being: **22/23, 23/24, 24/25 May 2012**

Hotel	Accommodation	RON	Suplimentary: 1-2 nights	
			25/26 May	26/27 May
